Description:

The New York Times bestselling Throne of Glass series reaches new heights in this action-packed, heart-wrenching and fantastically addictive sequel to Sarah J. Maas's epic debut. Eighteen-year-old Celaena Sardothien is bold, daring and beautiful - the perfect seductress and the greatest assassin her world has ever known. But though she won the King's contest and became his champion, Celaena has been granted neither her liberty nor the freedom to follow her heart. The slavery of the suffocating salt mines of Endovier that scarred her past is nothing compared to a life bound to her darkest enemy, a king whose rule is so dark and evil it is near impossible to defy. Celaena faces a choice that is tearing her heart to pieces: kill in cold blood for a man she hates, or risk sentencing those she loves to death. Celaena must decide what she will fight for: survival, love or the future of a kingdom. Because an assassin cannot have it all . . . And trying to may just destroy her. Love or loathe Celaena, she will slice open your heart with her dagger and leave you bleeding long after the last page of this New York Times bestselling sequel, in what is undeniably THE hottest new fantasy series.
